

KleenSafe

NSF Registered Eco-Friendly Neutral pH Coil Cleaner

NC KleenSafe is an environmentally-friendly condenser coil cleaner recognized for “Safer Chemistry” under the Environmental Protection Agency’s Safer Choice program. **NC KleenSafe** is a concentrated, non-foaming, neutral pH cleaner and degreaser that is ideal for use in educational, health care and residential applications.

NC KleenSafe can be used on evaporator or condenser coils in heating and air-conditioning units, permanent-type and electronic air filters as well as heat pump units. Will remove grease, oil, grime, dirt, etc. when used as part of a regular maintenance program.

FEATURES & BENEFITS

- Eco-friendly solvent and surfactants quickly emulsifies grease and oil.
 - Sewer System Safe
 - Replaces High/Low pH cleaners for rooftop applications
 - Neutral pH – Non-Corrosive
 - Excellent Cleaner & Degreaser
 - Use on Condenser and Evaporator Coils
 - Metal Safe ... will not damage aluminum and other metals
 - Ideal for Schools, Hospitals & “Green” Buildings
 - Use on Microchannel Coils
- Recognized for “Safer Chemistry” under EPA’s Safer Choice Program

DIRECTIONS: Dilute **NC KleenSafe** 1-4 parts with water and apply with a low-pressure sprayer. Leave on coils for 3-7 minutes then flush with water. Can be used on built-up roofs, etc., where high/low pH cleaners may cause damage. Proper housekeeping processes must be followed.

PHYSICAL PROPERTIES

APPEARANCE	Clear Liquid
COLOR	Green
pH	9.0 – 10.0
SPECIFIC GRAVITY	1.01 – 1.03
PACKAGING	4x1-gallon bottles/case 5-gallon pail 55-gallon drum

EPA/Safer Choice recognition does not constitute endorsement of this product. The Safer Choice label signifies that the product’s formula, as National Refrigeration Products has represented it to the EPA, contains ingredients with more positive human health and environmental characteristics than conventional products of the same type. EPA/Safer Choice relies solely on National Refrigeration Products, its integrity and good faith, for information on the product’s composition, ingredients and attributes. EPA/Safer Choice has not independently identified, that is, via chemical analysis, the ingredients in the product formula, nor evaluated any of National Refrigeration Products non-ingredient claims. EPA/Safer Choice provides its evaluation only as to the product’s human health and environmental characteristics, as specified in the Safer Choice Standard and based on currently available information and scientific understanding.

Refer to product label & Safety Data Sheet for precautionary and First Aid Information. The SDS is available on the NRP website at www.nrproducts.com
